Things to know

The Mt. Hood Community College Education Bond Measure is on the Ballot this May.

FOR DETAILS, VISIT: MHCCBOND.COM

1

MHCC alumni contribute over

\$350 million annually

to the local economy.

2

The bond would

Expand Career Education Facilities

If passed, the bond would make facility improvements will equip thousands of skilled workers in high-demand fields like healthcare, technology and skilled trades, by updating classrooms and labs that prepare students for frontline careers.

If passed, the bond would make upgrades to the community pool for year-round use, improve ADA accessibility, and support new technology for both urban and rural learners. These improvements mean opening year-round access to popular programs, such as swim lessons (26,000 residents served last year) and regional events that support local businesses.

3

The bond would

Strengthen Community Impact

4

The bond would

Secure the Campus

If passed, the bond would increase security with modern lockdown capabilities, upgrade fire safety systems, and make seismic retrofits to 50-year-old buildings that predate today's earthquake and seismic standards.

If passed, the bond would repair 50-year-old buildings with upgraded electrical wiring, heating, and cooling systems that are original to their 1970 construction. Repairs would ensure safe and cost-efficient operations as buildings continue to age.

The bond would

Repair Aging Facilities

5

MHCC's bond measure is estimated to cost 25 cents per \$1,000 of assessed value. For the average homeowner, that means about \$5 a month, or \$60 a year. **100% of funds stay local – all funding supports MHCC projects.**
